

DONALD N. ECKER

Founder & Project Leader | MARCH HEALTHCARE DEVELOPMENT, LLC

Donald Ecker is founder and project leader of March HealthCare Development, LLC and CEO Strategic Solutions, LLC. For almost 45 years, he has worked with business owners in analyzing business options and transactions, and in the last 4 years he has led or participated in \$3 billion in transactions. A retired Senior and Managing Partner with Ernst & Young, Mr. Ecker founded the firm's National Physician Practice, co-founded the Capitol Markets Group, headed Entrepreneurial Services for Southern California working with companies with revenues to \$250 million, and sat on the Pacific Southwest Regional Executive Committee.

Mr. Ecker has served on public health related boards and qualified as the "financial expert" for SEC reporting and chaired audit committees--companies include Sybron Dental that was sold to Danaher Corporation in 2006.
